

Claranet Recovery Platform

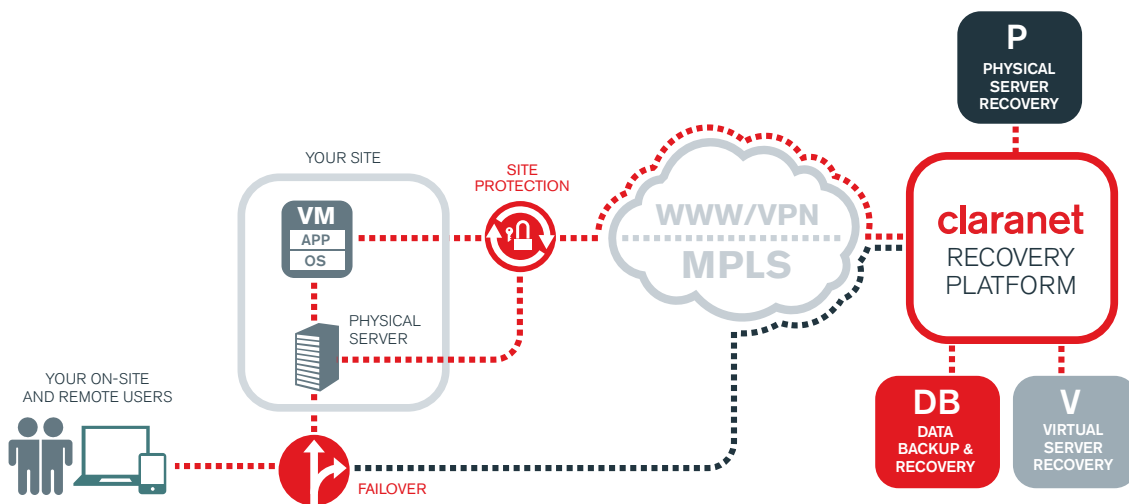

Build your recovery environment on a secure, production-ready platform

Protect your servers and applications while reducing your costs using Claranet's Recovery Platform.

Why choose Claranet Recovery Platform?

- 14 years of experience and expertise in Disaster Recovery and Business Continuity solutions
- Wholly owned UK-based data centres and network for total data security and compliance
- Enterprise-class levels of performance and resilience
- 24x7x365 UK support

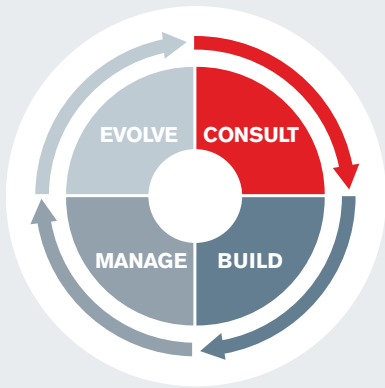

Comprehensive protection for your applications and data

Claranet Recovery Platform service overview

- Built on enterprise-class infrastructure and hosted in our UK-based data centres
- Integrates with Disaster Recovery and Backup solutions offered by Claranet that can be tailored to meet your unique Business Continuity requirements
- Scale your DR solutions by adding resources only as required
- A vCloud Powered platform, ensuring high levels of resiliency and isolation from other customers

How we work with you

1 - Consult

Our experts can advise you on our Disaster Recovery services in order to meet your exact requirements in terms of technology, budget, Recovery Point and Time Objectives.

2 - Build

Working with Claranet removes the burden of project managing and carrying out the installation of your disaster recovery service yourself, leaving you free to focus on those tasks that truly differentiate your business.

3 - Manage

We take care of the ongoing 24x7 management, monitoring and testing of the Disaster Recovery solution. You have access to round-the-clock UK support.

4 - Evolve

We work with you to ensure your solution meets your growing needs.

Claranet Recovery Platform business benefits

Cost-effective

No upfront CapEx costs for infrastructure. Pay only for what you use.

Agile

Scale your solution as your production environment grows.

Secure

Minimise risk with a platform hosted in Claranet's secure and compliant UK-based data centres.

Flexible

Protect any infrastructure, server and application with a DR solution designed to meet your true needs.
